

1.1.7 “External” shall refer to persons who are not members of the Society and to organizations who are legally distinct from the Society, except if they fulfill one or more of the following criteria:

- a) all members of the organization are members of the Society;
- b) the organization's governance body or bodies include at least one representative from the Society (with the exception of McGill University governance bodies (Board of Governors, Senate, committees, etc) and McGill Alumni Association governance bodies, which shall be considered external to the Society);
- c) the organization has at least one representative on the SSMU Legislative Council; or
- d) the organization holds status with the Society as an Independent Student Group.
