

Hi! I'm Alice, U3 Arts, and I'm running for VP Student Life to support student groups. If elected, I'll work to bring student groups together, champion their interests within SSMU, protect them from overreach by administration, streamline procedures and requirements, and build a mutually supportive relationship between student groups and SSMU.

I'm a collective member of the Union for Gender Empowerment (a SSMU service) since 2022, and the current treasurer of the Mafia Club. I've worked extensively for student groups and with SSMU. With this experience, I will work to best meet students' needs.

For more details, see [this document](#).
